This document transmits final Change 4, OSWER Directive 9200.3-14-1G-R, "Superfund Program Implementation Manual (SPIM)," Fiscal Year (FY) 2006/2007.

DOCUMENT

The FY06/07 SPIM was published in April 2005. Change 1 was issued on June 28, 2005; Change 2, on May 5, 2006; and Change 3, on November 16, 2006. Proposed Change 4 was submitted for review on August 16, 2007, and comments were received on September 4, 2007. This change updates only paragraph Appendix C, "Enforcement," and is noted in the attached change log. As previously mentioned, this change will carry forward to Change 1, FY08/09 SPIM.

IMPACT ON CERCLIS

Please see attached Impact Analysis.

ACTION

The SPIM is in a loose leaf, three ring binder format. Please remove the old materials from your FY06/07 SPIM and insert the attached new materials. Changed or added text is redlined to assist you in identifying the changes. Addressees, also, will be

sent new *Adobe* (pdf) files. If you have specific program questions, please contact the Subject Matter Expert identified on the change log or the last page of each section of the SPIM. Please contact Robert White (703-603-8873) for general SPIM questions. The FY06/07 SPIM is @ <http://www.epa.gov/superfund/action/process/spim06.htm> . The new materials will be installed on the internet in approximately 5 - 10 workdays.
